THE DECEIT OF SIMON MAGUS #4

Video- BEYOND OLD AND NEW PERSPECTIVES ON PAUL - The Problem: Session 1, Graham Tomlin, time 52:00-

MARCIONITE EXPURGATION OF COVENANT CONDITIONALITY MIRRORS CAMPBELL'S EXCISION OF ROMANS (THROUGH THE RE-READING) -- THE SIMONIAN DOCTRINE OF SIMON MAGUS ACCORDING TO EPIPHANIUS

Marcion's theological errors (and there were many) came from one main root: he refused to believe that the God of the Old Testament was the same as the Father of the Lord Jesus Christ. Marcion simply could not believe in a God full of wrath and justice. So, he threw away the Old Testament and took for his Bible a truncated version of Luke's Gospel and selectively edited versions of Paul's epistles. When all the cutting and pasting was finished, Marcion had the Christianity he wanted: a God of goodness and nothing else; a message of inspiring moral uplift; a Bible that does away with the uncomfortable bits about God's wrath and hell. Marcionism was antinomian, idealistic about human potential, and skittish about dogma and rules [Marcion and Getting Unhitched from the Old Testament](#), Kevin DeYoung,

5:5 And how can the power which spoke in the Law and the prophets be 'left-hand', when it has heralded Christ's coming from the good God in advance and forbids all wrongdoing?

5:6 And how can there not be one Godhead and the same Spirit, of the New Testament and of the Old, since the Lord has said, 'I am not come to destroy the Law, but to fulfill'⁷⁴⁰ ...

5:7 And many other arguments can be found in opposition to the charlatan's (Simon Magus) drivél. How can unnatural acts be life-giving, unless perhaps it is the will of demons , [The Panarion of Epiphanius of Salamis](#)

Graham Tomlin: -Campbell's re-reading of Paul is an excision of orthodox covenant conditionality, i.e. New Testament Revisionism:

- How can this re-reading of Paul avoid rendering the text of scripture opaque to the ordinary reader and every exegete of Paul for the last 2000 years?
- If Paul presents two incompatible Soteriologies, what are we to make of Augustine, Calvin, and Luther containing the same in their works. Can it be the case that these three theological giants were incapable of recognizing these self-contradictory distinct soteriologies?

I don't think Mr. Falcon either intends or has the capacity for a worthwhile conversation on this point.
